NEWSLETTER TERM 1 2021

NEWS FROM PENNY ELDER

As I'm sure you will all agree, this year has been challenging in many ways however now we can look forward to Xmas and for some holidays.

Firstly, thank you to our amazing team of dedicated teachers and parents who chose to bring their swimmers for lessons at Elder's.

Our team has been working tirelessly during the day with classes including the following schools who support us. Fraser Coast Anglican College, Star of the Sea, St. James, Xavier, Yarrilee, Bayside in Term 3 and Pialba in Term 1 and 2.

As a small family business we have been extremely grateful to witness the past 19 years of Hervey Bay Community supporting us.

We wish everyone a very Merry Christmas and SAFE holidays.

From the Elder family and our amazing team. Miss Liz, Ann, Tahnee, Dee, Amy, Bronwyn, Kristin, Melissa, Mel, Sam, Kellie, Lorali, Kailyn, Courtney, Belinda, Vanessa and Lisa.

2019-2020 248 people drowned and an estimate of a further 504 people experienced a non-fatal drowning incident. This does not include secondary drownings. (RLSS Statistics)

Emphasising WATER SAFETY skills within Elder's award winning swim lessons every week, I believe, is paramount and a key factor to a better chance of aquatic survival complimented with an efficient stroke technique. Aquatic skills include, reach rescues, life jackets, encouraging swimmers not to be afraid to go to the bottom of a pool and bounce up for air (bunny hops), safety information- **NEVER try to rescue anyone - call out for help or 000.**

Within Australia unfortunately multiple drownings are occurring within 1 family as younger children are trying to save other members.

Parents please stay within arms reach of your loved ones whilst in water and SUPERVISE, SUPERVISE, SUPERVISE...
